

AGM Rule Changes

Proposed Alterations to Rules

Special Resolution

Item (number 5) on the agenda at this year's Annual General Meeting (AGM) is to make amendments to the Rules of the Society. The purpose of this note is to provide an explanation to Members of the details of the alterations proposed.

The Society last updated its Rules in 2014 and is now proposing to update those rules to take into consideration changes published by the Building Societies Associations (the BSA) in their update to the Seventh Edition of its Model Rules, on which the Society's existing Rules are based. The BSA changes reflect changes in building society law, practice, and regulatory guidance.

This note sets out the main areas of change. A full copy of the existing Rules with the changes highlighted is available and can be requested from our Head Office, at any Branch or can be found on the Society's website. www.thevernon.co.uk/noticeofagm

It's intended if the amendments to the Rules are agreed at the AGM, they will take effect, subject to registration with the Financial Conduct Authority (FCA) on 26 th May 2022. The Board believes that these updates will benefit the Society and its Members, and therefore recommends that Members **vote FOR** them. The main reasons for the change are outlined below:

Which rules are the Society proposing to change?

The Rules of the Society is the main constitutional document that sets out the basis on which the Society is governed which includes how Member's meetings are held, and the meeting requirements.

We're proposing to update the Rules:

- To allow Member's meetings to be held electronically, and/or in more than one physical location;
- To clarify the procedures for adjourned meetings, which includes clarifying quorum requirements;
- To reflect the Mental Health (Discrimination) Act 2013; and
- To update the rules relating to Directors permanent residence.

There is also some re-numbering, gender neutralisation and minor typographical changes to also make to the Rules.

Why is the Society proposing to change the rules on how Members' meetings are held?

The COVID-19 pandemic resulted in the 2020 & 2021 Annual General Meetings being held behind closed doors, meaning Member participation was limited. The proposed rule changes allow Member meetings to be held electronically or at more than one venue, or by a combination of both physical attendance and using an electronic platform, so that all Members who wish to do so can fully participate in the meeting whilst still keeping both our staff and Members safe.

Why is the Society proposing to change the rules relating to adjourned meetings?

The COVID-19 pandemic identified the need to have procedures in place in the rare event that a Members meeting needs to be adjourned. The Society is proposing Rules to clarify the procedure which includes the requirements to inform Members of the time, venue and date of the new meeting.

Why is the Society updating the rules regarding quorums at meetings?

The Society is proposing to update this rule only in relation in the event that a meeting is adjourned that the number of Members present (quorum) needed at the meeting be the same as for the Annual General Meeting or Special General Meeting.

Why is the Society proposing to change the Vacation of Office & Disqualification rules?

The Society is proposing to update these Rules to reflect the requirements of the Mental Health (Discrimination) Act 2013.

Why is the Society changing the Directors permanent residence rules?

The COVID-19 pandemic has shown that the Society's Directors have been equally effective working remotely with meetings held electronically and not face to face. Due to such technology advances, the Society is proposing to update this Rule to widen the residency scope to also include the European Union in addition to the United Kingdom.
