*Interest rate terms explained:

Gross means we do not take income tax off the interest.

Tax-Free means you do not pay income tax on the interest.

AER (Annual Equivalent Rate) differs from the Gross annual interest rate if interest is paid more than once a year. If interest is added to the account, it also earns interest, and the AER reflects this by showing the rate as if interest were paid annually.

Vernon Building Society is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority (registration number 195475).

We are also a participant in the Financial Services Compensation Scheme (FSCS). Details of the scheme can be obtained from www.fscs.org.uk.
